

Pleasant Garden Recreation Soccer Program

Statement on Inclement Weather

In cases of inclement weather we try to make a decision based on the safety of the children first. We have children playing between the ages of 4 and 17. The criteria used to measure safe conditions are different depending on the age of the child. We try to make an informed decision based on the league as a whole.

That being said, **NO GAMES WILL BE PLAYED IF THERE IS THUNDER OR LIGHTNING.** Games **WILL NOT BE CANCELLED** because it is raining. If the rain creates **UNSAFE FIELD CONDITIONS** then the games will be cancelled. If a storm suddenly comes up during a game consisting of thunder and lightning, everyone will get in their cars and wait 20 minutes to see if it passes. As a parent, you always have the right to not allow your child to play if you feel the conditions are unsafe.

In the event the games are cancelled, the Soccer Commissioner will call the individual coaches who then call their players.

Because of the months the season runs, it is not always possible to make up games. We will try to make up cancelled games when scheduling permits.
